Inv. No. 337-TA-1123

**ORDER NO. 23: INITIAL DETERMINATION GRANTING RENEWED MOTION TO
TERMINATE THE INVESTIGATION AS TO RESPONDENT
CHAMPION POWER EQUIPMENT, INC. BASED ON CONSENT
ORDER AND FOR IMMEDIATE STAY OF ALL DUE DATES**

(October 2, 2018)

On September 20, 2018, Respondent Champion Power Equipment, Inc. (“Champion”) moved (1123-018) to terminate the Investigation as to Champion based on a Consent Order Stipulation and Proposed Consent Order. On September 28, 2018, the Commission Investigative Staff (“Staff”) filed a response in support of the motion. Complainant Walbro, LLC does not oppose the Motion. (Mot. at 1.)

Champion notes that “[t]he Commission has authority to terminate an investigation on the basis of a consent order” (Mem. at 3.) Champion asserts that the Consent Order Stipulation and Proposed Consent Order comply with the Commission Rules. (*Id.* at 4-5.) Champion also asserts that “[e]ntering the Proposed Consent Order and terminating the Investigation as to Champion would streamline the Investigation, avoid needless litigation, and conserve the resources of both the parties’ and the Commission, thereby serving the public interest.” (*Id.* at 5.)

Staff agrees that Champion’s Consent Order Stipulation and Proposed Consent Order comply with the Commission Rules. (Staff Resp. at 4-8.) Staff states that it “is not aware of any information indicating that termination of the investigation with respect to Champion” is contrary to the public interest. (*Id.* at 8.)

In accordance with Commission Rule 210.21(c)(1)(ii), Champion has entered into a “Consent Order Stipulation” and a proposed “Consent Order,” attached hereto as Exhibits A and B. 19 C.F.R. § 210.21(c)(1)(ii). Commission Rule 210.21(c)(3) sets forth certain requirements for the contents of a consent order stipulation. 19 C.F.R. § 210.21(c)(3). The Consent Order Stipulation submitted by Champion complies with the requirements of Commission Rule 210.21(c)(3).

Specifically, Champion agrees that upon entry of the Consent Order:

Champion agrees, upon entry of the Consent Order, that it will not sell for importation, import, or sell after importation, directly or indirectly, and shall not aid, abet, encourage, participate in, or induce the sale for importation, importation, or the sale after importation, carburetors and products containing such carburetors, that infringe claims 1, 2, 16, 18, and 19 of [U.S. Patent No. 6,394,424] or claims 54-57, 60, and 62-64 of [U.S. Patent No. 7,070,173] . . . in the United States, except under consent, license from Walbro, or to the extent permitted by a settlement agreement between Walbro and Champion.

(Consent Order Stip. ¶ 2.) Pursuant to Commission Rule 210.21(c)(3)(i), Champion also agrees to:

- (1) admit that the Commission has *in rem* jurisdiction over the carburetors and products containing such carburetors that are the subject of this Investigation, subject matter jurisdiction over this Investigation, and *in personam* jurisdiction over Champion for purposes of this Consent Order (*see* Consent Order Stip. ¶ 1);
- (2) expressly waive all rights to seek judicial review or otherwise challenge or contest the validity of the Consent Order (*id.* at ¶ 3);
- (3) cooperate with and not seek to impede by litigation or other means the Commission’s efforts to gather information under Subpart I of the Commission’s Rules of Practice and Procedure (*id.* at ¶ 4); and
- (4) the enforcement, modification, or revocation of the Consent Order being carried out pursuant to Subpart I of Part 210 of 19 C.F.R. § 210 (*id.* at ¶ 5).

Because this is an intellectual property-based investigation and in accordance with Commission Rule 210.21(c)(3)(i)(B), the Consent Order Stipulation also states that:

- (1) if any asserted patent claim, copyright, trademark, mask work, boat hull design, or unfair trade practice claim has expired or is held invalid or unenforceable by a court or agency of competent jurisdiction, or if any article has been found adjudicated not to infringe the asserted right in a final decision, no longer subject to appeal, this Consent Order shall become null and void as to such expired, invalid, or unenforceable claim or as to any adjudicated article (*id.* at ¶ 8); and
- (2) Champion will not seek to challenge the validity of the '424 patent or '173 patent in any administrative or judicial proceeding to enforce the Consent Order (*id.* at ¶ 9).

Additionally, Commission Rule 210.21(c)(4) sets forth certain requirements for the contents of the consent order. 19 C.F.R. § 210.21(c)(4). The Consent Order submitted by Champion complies with the requirements of Commission Rule 210.21(c)(4).

Consistent with 19 C.F.R. § 210.21(c), Champion represents that “there are no other agreements, written or oral, express or implied between the parties concerning the subject matter of the investigation.” (Mot. at 3.)

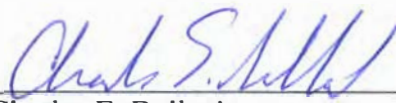

In any initial determination terminating an investigation by settlement agreement or consent order, the administrative law judge is directed to consider and make appropriate findings regarding the effect of the consent order on the public health and welfare, competitive conditions in the United States economy, production of like or directly competitive articles in the United States, and United States consumers. 19 C.F.R. § 210.50(b)(2). Champion submits that “[e]ntering the Proposed Consent Order and terminating the Investigation as to Champion would streamline the Investigation, avoid needless litigation, and conserve the resources of both the parties and the Commission, thereby serving the public interest.” (Mem. at 5.) Staff agrees that “there are no public interest concerns weighing against termination of the investigation with respect to Champion.” (Staff Resp. at 8.) The undersigned finds that termination of this Investigation does not

impose any undue burdens on the public health and welfare, competitive conditions in the United States economy, production of like or directly competitive articles in the United States, or United States consumers.

Accordingly, for good cause shown, it is the undersigned's Initial Determination that Champion's motion (1123-018) to terminate this Investigation based on a consent order stipulation and a proposed consent order be granted. The undersigned further finds that Champion's request for a stay should be granted and hereby stays the Investigation as to Champion pending final resolution of this motion.

This Initial Determination, along with supporting documentation, is hereby certified to the Commission. Pursuant to 19 C.F.R. § 210.42(h), this Initial Determination shall become the determination of the Commission unless a party files a petition for review of the Initial Determination pursuant to 19 C.F.R. § 210.43(a), or the Commission, pursuant to 19 C.F.R. § 210.44, orders, on its own motion, a review of the Initial Determination or certain issues, herein.

SO ORDERED.

Investigation No. 337-TA-1123

CONSENT ORDER STIPULATION

WHEREAS the United States International Trade Commission (“the Commission”) instituted this Investigation under Section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337) (“Section 337”), based upon the allegations contained in the Complaint filed by Complainant Walbro, LLC (“Walbro”);

WHEREAS said Complaint alleges violations of Section 337 based upon the importation into the United States, sale for importation into the United States, and/or sale within the United States after importation of certain carburetors, including products containing such carburetors, by Respondent Champion Power Equipment, Inc. (“Champion”), which are alleged to infringe claims 1, 2, 16, 18, and 19 of United States Patent Number 6,394,424 (“the ‘424 patent”) and claims 54-57, 60, and 62-65 of United States Patent Number 7,070,173 (“the ‘173 patent”);

WHEREAS Champion now agrees to forgo the sale for importation, importation into, and sales in the United States after importation of allegedly infringing carburetors, including products containing such carburetors; and

WHEREAS Champion agrees to the entry of a Consent Order by the Commission, in the

form attached hereto as Exhibit B.

NOW THEREFORE, pursuant to Commission Rule 210.21(c)(1)(ii) and (c)(3), Champion stipulates and agrees as follows in connection with its Renewed Motion to Terminate the Investigation as to Respondent Champion Power Equipment, Inc. Based on Consent Order:

1. Pursuant to Commission Rule 210.21(c)(3)(i)(A), Champion admits that the Commission has *in rem* jurisdiction over the carburetors and products containing such carburetors that are the subject of this Investigation, subject matter jurisdiction over this Investigation, and *in personam* jurisdiction over Champion for purposes of this Consent Order.

2. Pursuant to Commission Rule 210.21(c)(3)(i)(B), Champion agrees, upon entry of the Consent Order, that it will not sell for importation, import, or sell after importation, directly or indirectly, and shall not aid, abet, encourage, participate in, or induce the sale for importation, importation, or the sale after importation, carburetors and products containing such carburetors, that infringe claims 1, 2, 16, 18, and 19 of the '424 patent or claims 54-57, 60, and 62-65 of the '173 patent (collectively, "Subject Articles"), in the United States, except under consent, license from Walbro, or to the extent permitted by a settlement agreement between Walbro and Champion. Upon entry of the Consent Order, Champion will not sell within the United States, or otherwise transfer (except for exportation) any remaining U.S. inventories of the Subject Articles.

3. Pursuant to Commission Rule 210.21(c)(3)(i)(C), Champion expressly waives all rights to seek judicial review or otherwise challenge or contest the validity of the Consent Order.

4. Pursuant to Commission Rule 210.21(c)(3)(i)(D), Champion will cooperate with and will not seek to impede by litigation or other means the Commission's efforts to gather information under subpart I of the Commission's Rules of Practice and Procedure, 19 C.F.R. Part

210.

5. Pursuant to Commission Rule 210.21(c)(3)(i)(E), enforcement, modification, and revocation of the Consent Order will be carried out pursuant to subpart I of the Commission's Rules of Practice and Procedure, 19 C.F.R. Part 210, which is incorporated by reference herein.

6. Pursuant to Commission Rule 210.21(c)(3)(i)(F), the signing of this Consent Order Stipulation is for settlement purposes only and does not constitute admission by Champion that an unfair act has been committed.

7. Pursuant to Commission Rule 210.21(c)(3)(i)(G), the Consent Order shall have the same force and effect and may be enforced, modified, or revoked in the same manner as is provided in section 337 of the Tariff Act of 1930 and 19 C.F.R. Part 210 for other Commission actions, and the Commission may require periodic compliance reports pursuant to subpart I of 19 C.F.R. Part 210 to be submitted by the person entering into the Consent Order Stipulation.

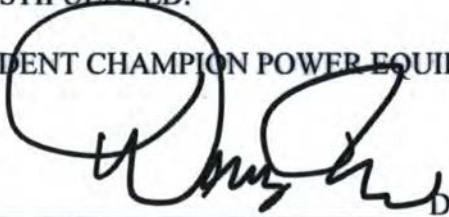

8. Pursuant to Commission Rule 210.21(c)(3)(ii)(A), if any asserted patent claim, copyright, trademark, mask work, boat hull design, or unfair trade practice claim has expired or is held invalid or unenforceable by a court or agency of competent jurisdiction, or if any article has been found or adjudicated not to infringe the asserted right in a final decision, no longer subject to appeal, this Consent Order shall become null and void as to such expired, invalid, or unenforceable claim or as to any adjudicated article.

9. Pursuant to Commission Rule 210.21(c)(3)(ii)(B), Champion will not seek to challenge the validity of the '424 patent or '173 patent in any administrative or judicial proceeding to enforce the Consent Order.

Investigation No. 337-TA-1123

[PROPOSED] CONSENT ORDER

The United States International Trade Commission (“the Commission”) instituted this Investigation under Section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337) (“Section 337”), based upon the allegations contained in the Complaint filed by Complainant Walbro, LLC (“Walbro”). The Complaint alleges violations of Section 337 based upon the importation into the United States, sale for importation into the United States, and/or sale within the United States after importation, of certain carburetors, including products containing such carburetors, by Respondent Champion Power Equipment, Inc. (“Champion”), that infringe claims 1, 2, 16, 18, and 19 of United States Patent Number 6,394,424 (“the ‘424 patent”) and claims 54-57, 60, and 62-65 of United States Patent Number 7,070,173 (“the ‘173 patent”).

Champion has executed a Consent Order Stipulation in which it agrees to the entry of this Consent Order, and to all waivers and other provisions as required by the Commission’s Rules of Practice and Procedure, 19 C.F.R § 210.21(c)(3). Champion has also filed a Renewed Motion to Terminate the Investigation with respect to Champion based on the Consent Order Stipulation. Champion hereby respectfully proposes the following Consent Order:

IT IS HEREBY ORDERED THAT:

1. Champion shall not sell for importation, import into the United States, or sell in the United States after importation, directly or indirectly, and shall not aid, abet, encourage, participate in, or induce the sale for importation, the importation into the United States, or the sale after importation in the United States, carburetors and products containing such carburetors, that infringe claims 1, 2, 16, 18, and 19 of the '424 patent or claims 54-57, 60, and 62-65 of the '173 patent (collectively, "Subject Articles"), except under consent, license from Walbro, or to the extent permitted by a settlement agreement between Walbro and Champion.

2. Effective upon entry of this Consent Order, Champion shall not sell within the United States, or otherwise transfer (except for exportation), any remaining U.S. inventories of the Subject Articles.

3. Champion shall be precluded from seeking judicial review or otherwise challenging or contesting the validity of this Consent Order.

4. Champion shall cooperate with and shall not seek to impede by litigation or other means the Commission's efforts to gather information under subpart I of the Commission's Rules of Practice and Procedure, 19 C.F.R. Part 210.

5. Champion and its officers, directors, employees, agents, and any entity or individual acting on its behalf and with its authority shall not seek to challenge the validity or enforceability of the asserted claims of 1, 2, 16, 18, and 19 of the '424 patent or claims 54-57, 60, and 62-65 of the '173 patent in any administrative or judicial proceeding to enforce the Consent Order.

6. When the '424 patent expires, the Consent Order shall become null and void as to such; and when the '173 patent expires, the Consent Order shall become null and void as to such.

7. If claims 1, 2, 16, 18, and/or 19 of the '424 patent or claims 54-57, 60, and/or 62-65 of the '173 patent are held invalid or unenforceable by a court or agency of competent jurisdiction, or if any article has been found or adjudicated not to infringe the asserted right in a final decision, no longer subject to appeal, this Consent Order shall become null and void as to such invalid or unenforceable claim or adjudicated article.

8. The Commission has *in rem* jurisdiction over the carburetors and products containing such carburetors that are the subject of this Investigation, subject matter jurisdiction over this Investigation, and *in personam* jurisdiction over Champion for purposes of this Consent Order.¹

9. The Investigation is hereby terminated with respect to Champion; provided, however, that enforcement, modification, or revocation of the Consent Order shall be carried out pursuant to Subpart I of the Commission's Rules of Practice and Procedure, 19 C.F.R. Part 210.
