**NOTICE OF INVESTIGATION**

AGENCY: U.S. International Trade Commission

ACTION: Institution of investigation pursuant to 19 U.S.C. § 1337

SUMMARY: Notice is hereby given that a complaint was filed with the U.S. International Trade Commission on December 15, 2008, under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, on behalf of O2 Micro International Ltd. of the Cayman Islands and O2 Micro Inc. of Santa Clara, California. A letter supplementing the complaint was filed on December 24, 2008. The complaint alleges violations of section 337 based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain cold cathode fluorescent lamp ("CCFL") inverter circuits and products containing same that infringe certain claims of U.S. Patent Nos. 7,417,382; 6,856,519; 6,809,938; and 7,120,035. The complaint further alleges that an industry in the United States exists as required by subsection (a)(2) of section 337.

The complainants request that the Commission institute an investigation and, after the investigation, issue exclusion orders and cease and desist orders.

ADDRESSES: The complaint and supplement, except for any confidential information contained therein, are available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, S.W., Room 112, Washington, D.C. 20436, telephone 202-205-2000.
