**ORDER NO. 20: SETTING TECHNOLOGY AND MARKMAN TUTORIALS**

(April 30, 2009)

On January 6, 2009, the Administrative Law Judge issued an amended procedural schedule which reserves part of July 6, 2009 for technology tutorials, if necessary, prior to the hearing in this Investigation. (*See* Order No. 14.) The Administrative Law Judge finds that brief technology tutorials will be useful in setting the stage for the hearing. Complainant and Respondents will be permitted 30 minutes per side to present the technology at issue in this Investigation. Legal argument during said presentations will not be permitted.

Furthermore, following the technology tutorials, the Administrative Law Judge will permit the parties to present Markman tutorials providing an overview of claim construction issues with respect to the patents at issue in this Investigation. Complainant, Respondents, and Staff will be permitted 30 minutes per side to summarize their legal arguments with respect to claim construction.

Said tutorials will occur in Hearing Room A starting at 9:00 a.m. on July 6, 2009, with the pre-hearing conference immediately following.
