The complaint alleges violations of section 337 of the Tariff Act of 1930 (19 U.S.C. § 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain coaxial cable connectors and components thereof and products containing the same by reason of infringement of United States Patent Nos. 6,558,194; 5,470,257; D440,539; and D519,076. The complaint names eight respondents.

On December 14, 2009, the Commission determined to review in part a final initial determination (“ID”) issued on October 13, 2009, by the presiding administrative law judge. The Commission is currently considering final disposition of the ID.

The Commission has determined to extend the target date by five days to March 31, 2010.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in section 210.51 of the Commission’s Rules of Practice and Procedure (19 C.F.R. § 210.51).
