ACTION: Notice

SUMMARY: Notice is hereby given that a complaint was filed with the U.S. International Trade Commission on April 19, 2022, under section 337 of the Tariff Act of 1930, as amended, on behalf of Centripetal Networks, Inc. of Reston, Virginia. A supplement to the complaint was filed on April 29, 2022. The complaint alleges violations of section 337 based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain computer network security equipment and systems, related software, components thereof, and products containing same by reason of the infringement of certain claims of U.S. Patent No. 9,264,370 (“the ’370 patent”); U.S. Patent No. 10,193,917 (“the ’917 patent”); and U.S. Patent No. 10,284,526 (“the ’526 patent”). The complaint further alleges that an industry in the United States exists as required by the applicable Federal Statute.

The complainant requests that the Commission institute an investigation and, after the investigation, issue a limited exclusion order and a cease and desist order.
