ORDER NO. 8:

q

INITIAL DETERMINATION GRANTING JOINT MOTION TO TERMINATE INVESTIGATION AS TO RESPONDENT GLOBAL BOX, LLC BASED ON CONSENT ORDER

(February 28, 2017)

On February 15, 2017, Complainant Nite Ize, Inc. ("Nite Ize") and Respondent Global Box, LLC ("Global Box") (together, the "Settling Parties") filed a joint motion seeking termination of this investigation in part as to Global Box based on a settlement agreement, consent order stipulation, and proposed consent order. (Motion Docket No. 1028-002.) That same day, Nite Ize filed a Corrected Proposed Consent Order correcting typographical errors and specifically listing the Asserted Claims covered by the Proposed Consent Order. (EDIS Doc. ID 603674.) The Commission Investigative Staff filed a response supporting the motion on February 22, 2017. No other responses were received.

Commission Rule 210.21(c) provides that "[a] motion for termination by consent order shall contain copies of any licensing or other settlement agreement, any supplemental agreements, and a statement that there are no other agreements, written or oral, express or implied between the parties concerning the subject matter of the investigation." 19 C.F.R. § 210.21(c). The pending motion includes the following exhibits: consent order stipulation (attached hereto as Exhibit A);

<sup>&</sup>lt;sup>1</sup> On February 15, 2017, Nite Ize filed confidential and public versions of the Settlement Agreement in two separate filings.

corrected proposed consent order (attached hereto as Exhibit B); confidential settlement agreement (attached hereto as Exhibit C); and public settlement agreement (attached hereto as Exhibit D).

Further, the Settling Parties state: "[t]here are no agreements other than the Settlement Agreement (Ex. C), written or oral, express or implied between the parties concerning the subject matter of the investigation." (Mot. at 1.) I therefore find that the pending motion satisfies the requirements of Commission Rule 210.21(c).<sup>2</sup>

Commission Rule 210.21(c)(3) sets forth the requirements for a consent order stipulation. 19 C.F.R. § 210.21(c)(3). I have reviewed the consent order stipulation (Exhibit A) and find that it conforms with Commission Rule 210.21(c)(3).

Commission Rule 210.21(c)(4) sets forth the requirements for a consent order. 19 C.F.R. § 210.21(c)(4). I have also reviewed the amended proposed consent order (Exhibit B) and find it is consistent with Commission Rule 210.21(c)(4).

Commission Rule 210.50(b)(2) provides that, in the case of a proposed termination by settlement agreement, consent order, or arbitration agreement, the parties may file statements regarding the impact of the proposed termination on the public interest, and the administrative law judge may hear argument, although no discovery may be compelled, with respect to issues relating solely to the public interest. 19 C.F.R. § 210.50(b)(2). The administrative law judge is directed to consider and make appropriate findings "regarding the effect of the proposed settlement on the

<sup>&</sup>lt;sup>2</sup> I also find that the pending motion satisfies the requirements of Commission Rule 210.21(b), which governs motions to terminate an investigation on the basis of a licensing or other settlement agreement. See 19 C.F.R. § 210.21(b).

public health and welfare, competitive conditions in the U.S. economy, the production of like or directly competitive articles in the United States, and U.S. consumers." *See id*.

The Settling Parties state that "[e]ntry of this consent order will also not impose an undue burden on the public health and welfare, competitive conditions in the United States economy, production of like or directly competitive articles in the United States, or U.S. consumers." (Mot. at 2.) The Commission Investigative Staff takes the position that "[it] is not aware of any information indicating that termination of the investigation as to Global Box based upon the Settlement Agreement and/or the Corrected Proposed Consent Order would be contrary to the public health and welfare, competitive conditions in the U.S. economy, the production of like or directly competitive articles in the United States, or U.S. consumers." (Staff Resp. at 11.) I do not find any public interest concerns militating against termination of the investigation as to Global Box based on the settlement agreement or corrected proposed consent order. I also find nothing to suggest that the agreement between the Settling Parties would impose an undue burden on the public health and welfare, competitive conditions in the U.S. economy, the production of similar or directly competitive articles in the United States, or U.S. consumers. See 19 U.S.C. § 1337(d). I therefore find that termination of the investigation as to Global Box is in the public interest, which favors settlement to avoid needless litigation and to conserve public resources. See Certain Data Storage Systems and Components Thereof, Inv. No. 337-TA-471, Order No. 51, at 4 (March 11, 2003).

Accordingly, it is my initial determination that Motion No. 1028-002 be GRANTED.

Respondent Global Box, LLC is hereby terminated from this investigation. This initial

determination, along with supporting documentation, is hereby certified to the Commission.

Pursuant to 19 C.F.R.§ 210.42(h), this initial determination shall become the determination of the Commission unless a party files a petition for review of the initial determination pursuant to 19 C.F.R. § 210.43(a), or the Commission, pursuant to 19 C.F.R. § 210.44, orders on its own motion a review of the initial determination or certain issues herein.

SO ORDERED.

#### [PROPOSED] CONSENT ORDER

The United States International Trade Commission has instituted an investigation at the request of Nite Ize, Inc. ("Nite Ize") against respondents, including Global Box, LLC ("Global Box"). The Complaint filed by Nite Ize on October 6, 2016, and as later supplemented, alleges violations of Section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), based upon the importation into the United States, the sale for importation, or the sale within the United States after importation by Global Box, of certain mobile device holders and components that allegedly infringe claims 1, 11, and 12 of U.S. Utility Patent No. 8,870,146, claims 1, 11, and 12 of U.S. Utility Patent No. 8,870,146, claims 1, 11, and 12 of U.S. Utility Patent No. D734,746 and D719,959 (collectively, the "Asserted Patents").

The Commission instituted this Investigation on November 14, 2016. See 81 FR 79520 (2016).

Box by entry of this Consent Order. The Parties have entered into a Settlement Agreement effective January 25, 2017, a copy of which is provided as an attachment to the Parties' Joint Motion to Terminate. Pursuant to 19 C.F.R. §210.21(c), the motion is hereby GRANTED and the following SO ORDERED:

- A. The Complainant in this Investigation is Nite Ize, Inc. ("Nite Ize"), and the Respondent party to this Consent Order is Global Box, LLC ("Global Box"). Nite Ize has alleged that Global Box sells for importation, imports, or sells after importation mobile device holders and components thereof in violation of Section 337 by reason of the Asserted Patents in paragraph 3.28 of its Amended Complaint.
- B. Global Box has executed a consent order stipulation in which they agree to the entry of this Consent Order and to all waivers and other provisions as required by Commission Rule of Practice and Procedure 210.21(c) (19 C.F.R. § 210.21(c)).
- C. Effective immediately upon the entry of this Consent Order, Global Box shall not sell for importation, import, or sell after importation any mobile device holders and components thereof, as illustrated in the Complaint, that infringe the Asserted Patents (collectively, "Subject Articles"), directly or indirectly, and shall not aid, abet, encourage, participate in, or induce the sale for importation, the importation, or the sale after importation except under consent or license from Nite Ize.
- D. Upon entry of the Consent Order, Global Box will re-export existing U.S. inventory outside of the United States.
- E. Effective immediately upon the entry of this Consent Order, Global Box shall cease and desist from importing and distributing Subject Articles covered by the Asserted Patents.

F. Global Box shall be precluded from seeking judicial review or otherwise

challenging or contesting the validity of this Consent Order.

G. Global Box shall cooperate with and shall not seek to impede by litigation or

other means the Commission's efforts to gather information under subpart I of the

Commission's Rules of Practice and Procedure, 19 CFR part 210.

H. Global Box and its officers, directors, employees, agents, and any entity or

individual acting on its behalf and with its authority shall not seek to challenge the validity or

enforceability of the Asserted Patents in any administrative or judicial proceeding to enforce

the Consent Order.

I. Upon expiration of the terms of the Asserted Patents the Consent Order shall

become null and void as to such patents.

J. If any Asserted Patent is held invalid or unenforceable by a court or agency of

competent jurisdiction or as to any Subject Articles that has been found or adjudicated not to

infringe the asserted right in a final decision, no longer subject to appeal, this Consent Order

shall become null and void as to such invalid or unenforceable claim.

K. This Investigation is hereby terminated with respect to Global Box, provided,

however, that enforcement, modification, or revocation of the Consent Order shall be carried

out pursuant to Subpart I of the Commission's Rules of Practice and Procedure, 19 CFR part

#### **TERMS**

1. Within one day of the Settlement Date of this Confidential Settlement Agreement, Respondent will permanently cease and desist from all use in the United States, importation into the United States, sales in the United States, offers for sale in the United States, and making in the United States of any products that are, contain, or incorporate a Prohibited Mobile Device Holder or Prohibited Mobile Device Holders or infringe U.S. Patent Nos. 8,870,146; 8,602,376; D734,746 and D719,959. Respondent will remove any Prohibited Mobile Device Holders currently in the United States from any stream of commerce (e.g., websites like www.amazon.com) and withdraw any of its advertisements for Prohibited Mobile Device Holders.

3. Respondent agrees not to challenge, cause to be challenged, or assist in any way any other person or entity in challenging, directly or indirectly, the validity or enforceability of U.S. Patent Nos. 8,870,146; 8,602,376; D734,746 and D719,959 in any court or other tribunal, including the United States Patent and Trademark Office. Respondent waives any and all

invalidity and unenforceability defenses concerning the U.S. Patent Nos. 8,870,146; 8,602,376; D734,746 and D719,959 in any future litigation, arbitration, or other proceeding. This waiver applies to any product made, used, imported, sold, or offered for sale by Respondent or any of their affiliates and their respective successors, assigns, parents, subsidiaries, divisions, and affiliated corporations, whether past, present, or future, or those who act for or in concert with any of the foregoing, at any time during the life of U.S. Patent Nos. 8,870,146; 8,602,376; D734,746 and D719,959. Respondent agrees, acknowledges, and represents that: (i) Section 3 of this agreement is part of a litigation settlement; (ii) there is a strong public interest in settlement of patent litigation; and (iii) upholding the terms of a settlement encourages patent owners to agree to settlements, thus fostering judicial economy. Respondent agrees, acknowledges, and represents that its agreement to this Section 3 is a material and necessary inducement for Nite Ize to enter into this Confidential Settlement Agreement and that Nite Ize would not have entered into this Confidential Settlement Agreement if it did not contain the provisions of this Section 3.

- 4. The terms and conditions of this *Confidential Settlement Agreement* are strictly confidential and are not to be disclosed by the Parties, except that said terms and conditions may be disclosed: (i) pursuant to court order or other requirement of law; (ii) if necessary, to the Parties' respective outside or in-house counsel, accountants, and insurance carriers; and (iii) as part of any due diligence inquiry. Any such disclosures must be under the condition that the information disclosed is to be maintained as confidential.
- 5. Notwithstanding Section 4, Nite Ize may publicly disclose that Global Box, LLC has agreed to cease and desist the importation and sale of *Prohibited Mobile Device Holders* and that Global Box, LLC is entering into a Consent Order, provided that any such public disclosure shall

be accompanied by a conspicuous statement to the effect that the Consent Order was entered into by Global Box, LLC without any admission of liability or infringement. For example, Nite Ize may state: "Global Box, LLC has agreed to cease and desist the importation and sale of *Prohibited Mobile Device Holders* and Global Box, LLC has entered into a Consent Order concerning *Prohibited Mobile Device Holders*. Global Box, LLC has not admitted infringement or liability."

- 6. The Parties further agree:
- (a) Promptly upon full execution of this *Confidential Settlement Agreement*, the Parties will cooperate to effect the following:
  - (i) the Respondent, in cooperation with Nite Ize, will enter into a Consent Order in the ITC Proceeding consistent with the terms, conditions and obligations of this \*Confidential Settlement Agreement;
  - (ii) the Respondent shall respond to the Deposition On Written Questions that is being served upon Respondent; and
  - (ii) all of the Respondent's counterclaims and affirmative defenses in the ITC Proceeding will be dismissed with Prejudice upon the entry of the above-referenced Consent Order;
- (b) The United States District Court for the District of Colorado will retain jurisdiction over the Parties and the subject matter of this *Confidential Settlement Agreement* for the sole and limited purpose of enforcing the terms of this *Confidential Settlement Agreement*.

Each of the Parties irrevocably consents to personal jurisdiction in the United States District Court for the District of Colorado for the sole and limited purpose of any proceeding brought by any of the Parties to enforce the terms of this *Confidential Settlement Agreement*.

- 7. Except as provided in Section 24 below, all Parties shall bear their own fees, costs, and expenses concerning the disputes among the Parties (including fees, costs, and expenses pertaining to the *ITC Proceeding*), subject to the mutual release of these claims as stated herein.
- 8. Except as to the obligations undertaken or created by this Confidential Settlement Agreement executed by the Parties, each Party, on behalf of itself and its affiliates and their respective successors, assigns, parents, subsidiaries, divisions, and affiliated corporations, whether past, present, or future, hereby releases from, forever discharges from, and covenants not to sue any other Party and its affiliates, and each of their respective successors, assigns, parents, subsidiaries, divisions, and affiliated companies and partnerships, directors, officers, shareholders, members, managers, employees, agents, representatives, and attorneys, whether past, present, or future, for any and all claims, demands, actions, suits, or causes of action, known or unknown, that exist or may exist as of the Settlement Date that relate to the Accused Mobile Device Holders, the ITC Proceeding, and these disputes among the Parties. Notwithstanding the foregoing sentence, nothing in this Confidential Settlement Agreement shall constitute a release, discharge, waiver of, or a covenant not to sue by Nite Ize of any claim Nite Ize may have now or in the future with respect to infringement of U.S. Patent Nos. 8,870,146; 8,602,376; D734,746 and D719,959 involving products or systems other than the *Prohibited* Mobile Device Holders that accrue or arise after the Settlement Date. Nite Ize also releases all downstream customers of Respondent who are using, selling, and offering for sale a Prohibited

Mobile Device Holder in the United States, including any customers who may acquire products pursuant to the terms of this Confidential Settlement Agreement, from any claim that a downstream customer's use, sale, or offer for sale of a Prohibited Mobile Device Holder infringes U.S. Patent Nos. 8,870,146; 8,602,376; D734,746 and D719,959.

- 9. It is the intention of the Parties in executing this *Confidential Settlement Agreement* that it shall be effective as a full and final accord and satisfactory release of each and every matter herein specifically or generally referred to in the United States.
- 10. In the event relevant claims of U.S. Patent Nos. 8,870,146; 8,602,376; D734,746 and D719,959 expire, the prohibitions and limitations of Section 1 no longer apply with respect to the expired claims. Further, in the event U.S. Patent Nos. 8,870,146; 8,602,376; D734,746 and D719,959 that Nite Ize asserted to be infringed in the *Complaint* in the *ITC Proceeding* become unenforceable or invalid for any reason other than any act by Respondent, then the prohibitions and limitations in Section 1 no longer apply.
- 11. Each Party represents and warrants that: (a) it is a corporation or company duly organized, validly authorized, and in good standing, and that it possesses full power and authority to enter into and comply with the terms of this *Confidential Settlement Agreement*; (b) the execution and compliance with the terms of this *Confidential Settlement Agreement* has been duly and validly authorized by all requisite corporate or company acts and consents and does not contravene the terms of any other obligation to which the Party is subject; and (c) this *Confidential Settlement Agreement*, when effective, will constitute a legal, binding, and valid obligation of the Party, enforceable in accordance with its terms and conditions.

- 12. Each Party represents and warrants that it has the full power and authority to execute, deliver, and perform this *Confidential Settlement Agreement* and that the individuals executing this *Confidential Settlement Agreement* on behalf of such Party have been duly authorized to do so.
- the Parties hereto with respect to the subject matter hereof, and this Confidential Settlement Agreement supersedes all previous representations, understandings, or agreements, oral or written, among the Parties with respect to the subject matter. There are no other oral or written representations, warranties, agreements, arrangements, or undertakings among the Parties which are not fully expressed in this Confidential Settlement Agreement. Each Party acknowledges that it is not entering into this Confidential Settlement Agreement on the basis of any representation, warranty, or promise not expressly contained in this Confidential Settlement Agreement, and that no promises or inducements have been made that caused any Party to execute the Confidential Settlement Agreement other than those that are expressly set forth herein. Further, each Party specifically disclaims any reliance on any representation, warranty, or promise not expressly contained in this Confidential Settlement Agreement in deciding to enter into this Confidential Settlement Agreement.
- 14. This *Confidential Settlement Agreement* may not be amended or modified except in a writing executed by all Parties.
- 15. The Parties agree that each Party shall promptly take all such further action and execute all such additional documents, at the Party's own expense, as may be reasonably necessary to effectuate all of the terms of this *Confidential Settlement Agreement*.

- 16. If any part of this Confidential Settlement Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, all remaining parts of this Confidential Settlement Agreement shall continue in full force and effect without being invalidated in any way. Nothing in this Confidential Settlement Agreement shall be construed in a manner that violates United States, the state of Colorado, or any other applicable law.
- 17. This Confidential Settlement Agreement constitutes a settlement of disputed claims and is made solely to avoid expensive and time-consuming litigation. Neither the offer nor acceptance of the terms and conditions of the Confidential Settlement Agreement nor any aspect of the disputes and proceedings among and by the Parties represents an admission of liability or fault on the part of any Party, but instead represents a resolution of the Parties' claims as against each other by mutual agreement. Notwithstanding the foregoing, this Confidential Settlement Agreement may be used in any proceeding to enforce its terms.
- 18. The Parties participated jointly in the negotiation and preparation of this Confidential Settlement Agreement, and each Party has been represented by counsel and has had the opportunity to review, comment upon, and modify this Confidential Settlement Agreement. All Parties acknowledge their cooperation in drafting this Confidential Settlement Agreement. For purposes of construing this Confidential Settlement Agreement, this Confidential Settlement Agreement shall be deemed drafted by all Parties and shall not be construed against any of them because of any purported ambiguity. Accordingly, any rule of law that would require interpretation of any ambiguities in this Confidential Settlement Agreement against the Party that has drafted it is of no application and expressly waived. This Confidential Settlement Agreement shall be interpreted in a reasonable manner to effect the Parties' intentions.

- 19. This *Confidential Settlement Agreement* may be signed in counterparts, and the various counterparts shall constitute one instrument for all purposes. For convenience, the several signature pages of the counterparts may be collected and annexed to one document to form a completely executed agreement. Facsimile signatures shall be treated as original signatures.
- 20. This *Confidential Settlement Agreement* shall be interpreted in accordance with, and governed by, applicable federal law and the laws of the State of Colorado except for any Colorado law or federal principles regarding choice of law.
- 21. This *Confidential Settlement Agreement* shall be binding upon and inure to the benefit of the Parties, their affiliates, and their respective successors, assigns, parents, subsidiaries, divisions, and affiliated corporations, whether past, present, or future, and the Parties' officers, directors, principals, members, managers, executors, and administrators.
- 22. The Parties hereto have read the foregoing *Confidential Settlement Agreement*, have had an opportunity to discuss it with counsel, know its contents, and understand its terms and effect.
- 23. Respondent acknowledges that any violation of the provisions of Section 1 of this Confidential Settlement Agreement shall cause irreparable harm to Nite Ize, and that in the event a violation of Section 1 occurred, public policy would favor injunctive relief against Respondent. Respondent further agrees that an order of specific performance of Section 1 is warranted in the event of any breach of Section 1. Respondent acknowledges and agrees that any importation,

sale or offering for sale in breach of Section 1 would irreparably injure Nite Ize and that monetary damages would be inadequate to fully remedy such a breach.

24. In any action or lawsuit brought, in whole or in part, to enforce this *Confidential Settlement Agreement*, the prevailing party in such action or lawsuit shall be entitled to recover from the other parties in such action or lawsuit, jointly and severally, the prevailing party's reasonable attorney's fees and costs that it incurred to enforce this *Confidential Settlement Agreement*.
